Dear Sir:

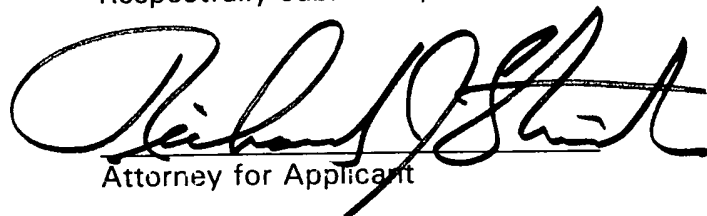

The official filing receipt has been received from the Patent Office in the above application.

There is an error in that the city of residence of each inventor is incorrect as shown in red on the attached copy of the filing receipt. It is noted that the residence and post office address were reversed on the Combined Declaration & Power of Attorney which was filed on July 25, 2001.

In addition, as noted in our response dated July 25, 2001, the applicant is a LARGE ENTITY.

Issuance of a corrected filing receipt is respectfully requested.

Respectfully submitted,
